Risk assessment process, Risk mitigation plan.	Performance metrics, Key performance indicators.	Satisfaction survey, Feedback form.	Successful launch, Positive feedback.	Reduced costs, Improved scalability.	Improved internal processes, Increased productivity.	Legacy system, New cloud migration plan.
4	Project D	Sarah Brown	Mobile App Development	Completed	2023-10-01	2023-12-31	\$800,000	Low	Medium	Develop a new mobile application for external use.	Improve user experience and engagement.	Mobile application, User manual, Training materials.	2023-10-15, 2023-11-15, 2023-12-15	8 developers, 4 testers, 2 project managers.	External users, IT department, Finance department.	Weekly status reports, Monthly progress reports.	Project charter, Project plan, Project schedule.	Change request process, Issue tracking system.	Quality assurance process, Acceptance testing process.	Risk assessment process, Risk mitigation plan.	Performance metrics, Key performance indicators.	Satisfaction survey, Feedback form.	Successful launch, Positive feedback.	Improved user experience, Increased engagement.	Improved internal processes, Increased productivity.	Legacy system, New mobile application.
5	Project E	David White	Website Redesign	In Progress	2024-01-01	2024-03-31	\$600,000	Low	Medium	Redesign the company website for external use.	Improve aesthetics and functionality.	Website redesign plan, User manual, Training materials.	2024-01-15, 2024-02-15, 2024-03-15	6 developers, 3 testers, 1 project manager.	Internal users, IT department, Finance department.	Weekly status reports, Monthly progress reports.	Project charter, Project plan, Project schedule.	Change request process, Issue tracking system.	Quality assurance process, Acceptance testing process.	Risk assessment process, Risk mitigation plan.	Performance metrics, Key performance indicators.	Satisfaction survey, Feedback form.	Successful launch, Positive feedback.	Improved aesthetics, Increased functionality.	Improved internal processes, Increased productivity.	Legacy system, New website redesign plan.
6	Project F	Emily Green	Database Optimization	On Hold	2024-04-01	2024-06-30	\$400,000	Medium	Medium	Optimize the existing database for performance.	Reduce response time and improve scalability.	Database optimization plan, User manual, Training materials.	2024-04-15, 2024-05-15, 2024-06-15	4 developers, 2 testers, 1 project manager.	Internal users, IT department, Finance department.	Weekly status reports, Monthly progress reports.	Project charter, Project plan, Project schedule.	Change request process, Issue tracking system.	Quality assurance process, Acceptance testing process.	Risk assessment process, Risk mitigation plan.	Performance metrics, Key performance indicators.	Satisfaction survey, Feedback form.	Successful launch, Positive feedback.	Reduced response time, Improved scalability.	Improved internal processes, Increased productivity.	Legacy system, New database optimization plan.
7	Project G	Chris Black	API Development	Completed	2024-07-01	2024-09-30	\$700,000	Low	Medium	Develop a new API for external use.	Improve integration and interoperability.	API development plan, User manual, Training materials.	2024-07-15, 2024-08-15, 2024-09-15	7 developers, 3 testers, 2 project managers.	External users, IT department, Finance department.	Weekly status reports, Monthly progress reports.	Project charter, Project plan, Project schedule.	Change request process, Issue tracking system.	Quality assurance process, Acceptance testing process.	Risk assessment process, Risk mitigation plan.	Performance metrics, Key performance indicators.	Satisfaction survey, Feedback form.	Successful launch, Positive feedback.	Improved integration, Increased interoperability.	Improved internal processes, Increased productivity.	Legacy system, New API development plan.
8	Project H	Alex Blue	Security Audit	In Progress	2024-10-01	2024-12-31	\$300,000	High	Medium	Conduct a security audit of the company systems.	Identify vulnerabilities and improve security.	Security audit plan, User manual, Training materials.	2024-10-15, 2024-11-15, 2024-12-15	3 developers, 2 testers, 1 project manager.	Internal users, IT department, Finance department.	Weekly status reports, Monthly progress reports.	Project charter, Project plan, Project schedule.	Change request process, Issue tracking system.	Quality assurance process, Acceptance testing process.	Risk assessment process, Risk mitigation plan.	Performance metrics, Key performance indicators.	Satisfaction survey, Feedback form.	Successful launch, Positive feedback.	Identified vulnerabilities, Improved security.	Improved internal processes, Increased productivity.	Legacy system, New security audit plan.
