

Table with 27 columns and 100 rows of data. The table is divided into several sections with different background colors (yellow, white, grey) and contains various text entries, including dates, names, and descriptions. The first row is a header row with 27 columns. The subsequent rows contain data, with some rows having a yellow background and others having a white background. The table is organized into several groups of rows, each with a different background color. The first group of rows (rows 2-5) has a white background. The second group of rows (rows 6-10) has a yellow background. The third group of rows (rows 11-15) has a white background. The fourth group of rows (rows 16-20) has a yellow background. The fifth group of rows (rows 21-25) has a white background. The sixth group of rows (rows 26-30) has a yellow background. The seventh group of rows (rows 31-35) has a white background. The eighth group of rows (rows 36-40) has a yellow background. The ninth group of rows (rows 41-45) has a white background. The tenth group of rows (rows 46-50) has a yellow background. The eleventh group of rows (rows 51-55) has a white background. The twelfth group of rows (rows 56-60) has a yellow background. The thirteenth group of rows (rows 61-65) has a white background. The fourteenth group of rows (rows 66-70) has a yellow background. The fifteenth group of rows (rows 71-75) has a white background. The sixteenth group of rows (rows 76-80) has a yellow background. The seventeenth group of rows (rows 81-85) has a white background. The eighteenth group of rows (rows 86-90) has a yellow background. The nineteenth group of rows (rows 91-95) has a white background. The twentieth group of rows (rows 96-100) has a yellow background.
